Three months into the new year! Our Quarter of 2022 is completing, Quarter 2 begins.

Highlights for Q1 include our successful Bi-Monthly Green Bag Drive on Saturday Feb 12. Lots of great volunteers showed up including honor students from Jo Lane Middle School and several staff from our local Home Depot. We had a great haul from our Roseburg Food Project team of volunteers who brought in over 11,000 pounds of food (that's nearly 6 tons!).

February also brought us our new electric forklift (many thanks again to all who helped fund that purchase!) which, if you are moving around 6 to 10 tons of food, is a huge help!

I had my first of the year church visit with a Sunday spent at Faith Lutheran talking about all things FISH. Next stop is to visit with each of our six sponsoring churches-my goal is to get out and meet each congregation and share our news.

Quarter 2 begins and more events, programs and projects are on my agenda. My promise is to keep you informed and involved with all things FISH.

Executive Director

We love our volunteers

The old saying, age is only a number sure rings true for Ms. Evelyn Nolte. At 90 years young, she is one of our dedicated Monday FISH pantry volunteers. She is usually one of the first volunteers to arrive and one of the last to leave. Evelyn has volunteered at FISH since 2018. She says staying busy is key to longevity. With 9 grandchildren, 18 great grandchildren and 2 great great grandchildren she has plenty to keep her busy. Evelyn also stays busy with her church and her friends in the Roseburg area. Evelyn worked as a dental hygienist in Grants pass Oregon, then moved to Hawaii with her husband and opened a lumber/hardware store. After that they moved to Culver Oregon and bought a restaurant/store at lake Billy Shinnok Marina and finally coming to Roseburg in 2006 where she has been since.

Thank you for all you do Evelyn...

Dedication

A very special thank you to our FISH pantry drivers. You are a huge part of the pantry operations.
